## Annual Transporters Recognition Luncheon Invitation

March/2017

Dear Fellow Lions and Friends,

For over 30 years, Lions Eye Bank for Long Island has made restoring vision possible to over 14,450 individuals from our local, national and international communities.

We could not have easily accomplished our mission of providing the *Gift of Sight* without the support of our local Lion Club members volunteering their time and efforts as Cornea Transporters. As a result of their contributions, the Lions Eye Bank Transporters have made over 13,250 trips delivering the *Gift of Sight* to its destination for transplantation and have saved the Lions Eye Bank hundreds of thousands of dollars.

Please join us, as we celebrate their galant efforts at our Annual Transporters Recognition Luncheon at L.I.J. Hospital Valley Stream (formerly Franklin Hospital), located at 900 Franklin Avenue, Valley Stream. The recognition ceremony will be held on Sunday, May 21 at 1PM in the hospital's Shankman Auditorium. Eye Bank transporters are encouraged to attend with family and friends to receive their well deserved accolades.

After the program, lunch and refreshments will be served. This invitation is open to all Lion members, family and friends. Please note that there is no charge for attending the recognition ceremony.

Those attending should RSVP Lion Elliot Krakauer (no later than May 12) with the number of people attending either by e-mail to [mkrakau@verizon.net](mailto:mkrakau@verizon.net) or call him directly at 516-433-1235.

We look forward to seeing you at this celebratory affair.

YIL,

Lion Jose Pastrana,  
Chairman
